Dear Sir

It is with a high pressure to
congratulate you for the hard work of feeding
and clothing the poor which is the one of
our Jesus Christ commandments

I believe that, God will continue to
help you and your fellow-workers

According to your letter to me
informing about the desperate shortage
of funds on continuing of sending us
the tapes cassette, I write down to ask
if the finances is now available or not.

I need and I should get from you
the explanations in more detail

Up to now I continue to enjoy
the tapes that I borrowed from my fellow-
students.

I wish you best wishes

Yours in Jesus Christ

Chunya
