Dear Pastor Paul and the Congregation,

I have been very happy to have heard from you and the word of God through the tapes you have sent me. Thank you very much.

My family is always grateful to you for such precious gift you give us. We are now at least able to hear the teaching every time we need. The word of God is everything to the people.

Here in Africa we know very little about the Bible. Slowly through this kind of means we at least some of us are able to follow what God wants us to do.

We shall be more happy to once again hear from you.

With best wishes from my husband and children and friends.

Mrs Mwakyusa.
