Dear Pastor Paul,

I am greeting you and your fellows in Jesus Christ.
It's my great hope that ^{you} are doing well in this stage of maturing
in CHRIST.

First I thank you for your handout of DISCIPLES MINISTRY
which I went through and found that I still need more information
about it. I will be very grateful if you and your ministry will
mind to send me most of your papers so as to make me
grow in this new life of Jesus Christ. It will also help my
fellow sisters and brothers to see how serious people are in
Jesus.

I also thank for your two taped cassettes. I got them very
heartily and I am still going through them ~~as~~ I want to
grasp everything in them. I am very happy to inform you that
most of my friends who haven't received Jesus as their saviour
are starting to pick an interest from your preach. I better
let you know that I will be more happy if you'll send me
the cassettes regarding the Early Stages in Jesus life. They
will be of great help to me and my friends. Please help us
in every way.

I am ending up here with the hope of hearing and receiving
more from you. May God Bless you in every way.

In Jesus' love,
Hanka.
