Dear Pastor.

I greet you in the name of Jesus
Christ our Lord.

First of all I congratulate you for your
work of spreading the good news of our God.
I have listened to some of your preaching
through cassettes. The word of God you preach
have life in it and brings changes to the
people who hear and understand your preaching.

The preach such as HARDEN NOT YOUR
SOUL and THE FALSE SPIES, are some of your preach
which I have heard from my friend whom you
sent them.

Dear Pastor I had been longing for
a long time now to get those or any kind
of ~~the~~ your preaching. So would you please include
my name in your list so that I don't
miss that privilege of hearing the good news
of the Lord. So please Pastor I will be
very happy to receive some cassettes concerning
the young people because as you know nowadays
they are becoming farther and farther from God.
They have engaged themselves in luxurious things,
neglecting the teachings and the warning of God
concerning their evil ways of life.

Wish you good life.

Your son in Jesus Christ

Charles Muyamba.
