

Data Privacy

Most of the information we collect about you will be categorized as **private**.

Private means that only you and employees of Pastor Paul's Mission can see it; others cannot see it.

Sometimes statistics and other anonymous data will be taken from the information that we collect from you.

This information is considered **public** and open to anyone, **but it will not give your name or identify in any way.**

Federal and State Law require this agency to:

- protect your privacy
- let you see the information we have about you
- explain our need for information about you
- explain about how we will use this information about you
- explain your rights about this information

Who are you giving permission to see your records?

The employees of this agency will be able to see information about you when their work requires it; or a hired agent that works on the database.

Sharing Information

We do not share your information with any person, company, or other agency.

Why do we ask you for this information?

To assess your need for: products and services, special diets, transportation, health insurance, housing, employment, and voter registration.

To provide Super Connections to programs, products and services you may need.

Finally, we assess a need for your interest in a private shopping club.

It is all about helping you to connect!

What will happen if you don't answer the questions?

The only information required for to register for Pastor Paul's VIP Club is **Pages 1-3-Household, Family, and Income Information** Without this information you will not be able to register for Pastor Paul's VIP Club.

We request that you sign this form.

This shows that you received it. The information on this form applies to all future contacts with Pastor Paul's VIP Club Registration whether they are in person, by phone or by mail.
